June/July Prayer Letter

It has been a tremendously busy yet fun time as we begin this deputation journey. We started out in June by taking a three week trip to Tennessee. The first week was vacation with family. The second week was an intense and busy week at BIMI candidate school, and the third week was even busier as we were counselors for our youth group at the Bill Rice Ranch. We were also able to take a trip in July to Pennsylvania to run a Spartan Race with my friend, Josh Hamilton, and see the work that God is doing at Susquehanna Valley Baptist Church.

Amid all of the traveling, we have been working with some great people to help prepare everything for the start of deputation. We were able to get prayer cards, brochures, displays, video, and more done in a timely manner thanks to their hard work. Now it's time for us to put in some more hard work in contacting pastors and scheduling meetings.

We have been privileged to still be able to serve in our home church as we prepare for deputation. Teaching what we call the "senior saints" Sunday school class and working on our Moraine Bus Route has been a consistent blessing. The last week of July provided an extra blessing as I had the opportunity to preach our Vacation Bible School. We saw the Lord work and bring in 73 first time visitors and see 16 children put their faith in Christ.

It is amazing to see how the Lord is working and leading in our lives. We are excited to start this ministry of deputation. We appreciate your prayers as we need God's power and strength in this next step of faith.
