These past two months seem to have come and gone very quickly. The fall season is already upon us. A season connected to some cooler weather which we are going to soak in before we go over to the very hot part of the world to which God has called us.

August was a month full of preparation and work toward scheduling meetings to present what the Lord has called us to do. It involved research of churches, preparing packets of information, mailing those packets, and following up with phone calls to see if the packets arrived where they were supposed to go. It is amazing to see how the Lord is allowing meetings to line up, and our schedule is filling up faster than anticipated.

September started our schedule of meetings. We were privileged to be in a different church every week and meet many new friends. We also got to catch up with some good friends from college. We drove a total of 4,646 miles to many different states such as Illinois, Texas, Wisconsin, and Ohio. We thank God as He allowed our vehicle to run smoothly with no problems over so many miles.

The pastors and people in each church have been an encouragement to us, and it is truly tremendous to see God use these churches to meet our needs in ways they do not even realize. Deputation is off to a strong start with all the glory going to God.

Please continue to keep us in your prayers. We have a busy schedule these next couple of months as we have 9 of the next 10 weeks already scheduled to serve in many new churches. Please pray that we can be a blessing to each church and represent the Lord and His calling on our lives properly.
