The start to the New Year has been a whirlwind. Six months of deputation have gone by so quickly and we have enjoyed every second of this journey. These past two months have included some big events and milestones in our lives.

The first event was the opportunity to attend our home church's mission's conference at the end of January. It is always a blessing to see our church family and see the growth in the area of missions. I was also privileged to be ordained during this conference. It was a blessing to have many tremendous, faithful men of God on the counsel, and it is an honor to be sent out by a church such as Bethel Baptist Church.

While we have been able to announce the second big event in some recent churches, many of you have not been able to hear the news that Alyssa and I are expecting our first child at the end of June. We are excited to meet our baby girl. We would also appreciate your prayers for a smooth pregnancy with no complications.

The final milestone to mention is that the Lord has allowed us to hit that 50% mark. We have been able to raise half the support needed to get to Africa, and are excited to see the Lord's power through this process.

We greatly appreciate your prayers for us. We are consistently praying for your church family. May God bless as we serve Him in spreading the gospel around the world.
