## November-December Prayer Letter

The year 2020... I could follow that statement with many different thoughts. So much has happened throughout this year. Many people do not like change, yet 2020 has been full of it. Oftentimes, change can be the best thing to happen. At each change in life, it is wise to evaluate what your foundation is. What is your relationship with the one who does not change? Thankfully, through all our changes we have a faithful God.

One change which happened to us is one which happened to you. Covid changed many of our plans. We had a total of 3 months of cancelled meetings, yet we have a faithful God who has still allowed us to partner with many wonderful churches to reach 79% of our needed support.

Another change was the birth of our daughter. This change involved a lot including giving birth during the Covid pandemic, delivering through emergency c-section, and raising a newborn while traveling thousands of miles around the USA. Through it all, we have a faithful God who has blessed us with a content, healthy baby.

The final change I will mention was going back to school (online). This was a step of faith for me. God has grown my faith by providing the finances and time to be able to grow in the knowledge of His Word through my studies.

I share some of our changes to testify of God's greatness. I hope your faith has grown this year through your many changes. I enjoy taking the final prayer letter of the year to look back at what God has done.

However, as this is entitled a November-December prayer letter, I will briefly mention that our November was packed full of conferences and meetings while December was a much lighter schedule. I want to leave you with some things to pray with us about:

1. That France will issue our visas to attend language school in May.
2. That God will use us to speak to hearts about the fields; for they are white already to harvest- that God will call more laborers.
3. That we can stay safe and healthy while traveling thousands of miles during cold/flu/covid season.

We greatly appreciate your prayers. I also cannot close without thanking many of you for the generous Christmas donations you have given us. I hope you enjoy Christmas and I think we all are thrilled to welcome in a new year.
